

Chinese Language Enrichment Program

Dear Preschool Place and Kindergarten parents,

January, 2012

新年快樂！ (xin nian kuai le). Happy New Year!

We have just completed the **Chinese Language Class – Fall Session**. The session has been most fruitful and a great pleasure for all of us. It has given me the opportunity to introduce and expose the children to the Mandarin Chinese language and culture.

During these past twelve weeks, the children who were in the program have been involved in learning the basic words and sentences of Mandarin Chinese with great enthusiasm and fun. We learned the greetings, good-bye, family members, numbers (1- 10 +), basic colors, our body parts, animals, directions, etc. We also learned how to express our likes and dislikes and ask simple questions, like “Who is this?” “What is this?” and “What’s your name and how old are you?” Our classroom is always full of action and fun. The children have learned several Chinese children songs and games. Their progress is amazing and I am so proud of every one of them.

I would like to invite your child to join me for more Chinese language and culture fun in the next Winter/Spring Session – another 12 weeks of Chinese Language class adventure. Each week we will learn different daily conversational sentence and explore more fascinating culture.

We welcome new students to join! We will review all material and the children could always learn from their classmates. If you have any questions, please contact me at kidstalkinternational@yahoo.com.

Looking forward to meeting your kids in the Chinese Language class!
