

Chinese Language Enrichment Program

Dear Preschool Place and Kindergarten parents,

January 19, 2015

新年快樂！ (xin nian kuai le). Happy New Year!

The Chinese Language Class – Fall Session is almost completed. The session will end on 1/21/15. We will start the Spring Session with the Chinese New Year Celebration. This year the Chinese New Year falls on February 19. With more celebration activities, the children will have a taste of the festival excitement of the Chinese New Year.

During these past twelve weeks, the children who were in the program have been involved in learning basic words and sentences of Mandarin Chinese with great enthusiasm and fun. We learned the greetings, good-bye, family members, numbers (1- 10 +), basic colors, our body parts, directions and etc. We also learned a few basic sentence patterns. Our classroom is always full of action and fun. The kids have learned several Chinese kids Rhymes and songs. The progress for the children is amazing! I am so proud of them all!

I would like to invite your child to join me for more Chinese language and culture fun in the next Winter/Spring Session. There will be 12 lessons. **All NEW students are welcome!!** With a carefully designed curriculum, children will start learning right away. If you have any questions, please contact me at kidstalkinternational@yahoo.com. Looking forward to meeting your kids in the Chinese Language class!
